THE MARKETS.

A Very Dull Day on Wall Street and Uncertainty as to the Future.

Rather More Than the Usual Volume of Talk Concerning Stocks and Crops.

Special Disputel NEW YORK, May 25 .- All hands agree that the bridge opening caused the duliness in Wall street yesterday afternoon, and there is a very general expectation of a better market to-day or to-morrow. The president of a prominent city bank, which collects the most of the money throughout the whole country for the dry goods trade, reports collections better than ever before. He also says the only blue spot seems to be Wall street. Osborn says he is a bull on St. Paul for 20 points rise;

Worishoffer was not in the street yester day, and the brokers declared Morgan's brokers were the most active traders.

The Standard oil people bought about 5,000 Union Pacific, and Boocock bought 5,000 North Pacific common.

J. G. Mills says people who are selling Northern Pacific common short will get left, as Villard will absorb all offered. It is said there are orders in the market to buy all Pacific mail offering without bidding up stock. The Rome and Ogdensburg people say Sam

Sloan did not voluntarily resign from their company, but they put him out on finding that he was running the road entirely in the interests of the Lackawanna.

Sage is selling six months to all the year, spreads 20 apart on Lackawanna, Lako Shore, and Union Pacific for 1 per cent.

The chronic bears declare trading has again

relapsed into thimblerigging, the shorts are pretty well out, and no outside business &c. The Lackawanna people say they have again arranged for through western passenger traffic and competition for emigrant business.

traffic and competition for emigrant business. This company has just applied for equal privleges with the trunk lines at Castle Garden, and there is trouble brewing in the pool.

Mr. W. S. Gurnee says Mr. Gould tells him he is a great bull on the general situation, but is doing nothing in wall street, and proposes never again taking any active part in speculation. If he did he would buy 200,000 shares of stock now, and he believes there will be a rise of thirty points before a decline of five.

The Wabash road, Gould says, will probably pay its fixed charges from this year's earnings, and the Kansas and Texas will earn a dividend. He adds, a great deal of the latter is being cut up and shipped to Amsterdam.

The brokers report the room as about as bearish as ever, but there has been large buying of Lackawanna. Zeerega bought 2,500

REVIEW.

Stocks opened dull and steady, but the feeling in the room was rather bearish. The market advanced it of in the early dealings, Johnes leading off in Stock trading. Van Emburg sold Wabash preferred down 41s, and St. Paul was sold on a report that capital stock would be increased.

The vice president of the Chicago, Milwankee and St. Paul (Wadsworth) denies this report. The dealing in St. Paul was mainly confined to the traders led by Kirkner.

On the second call stocks were dull and fitful. The outside buying being quite limited, Manitoba went to 120s on selling by Canadian speculators. Subsequently the report of a war of rates with the Canadian Pacific was authoritatively denied.

of a war of rates with the Canadian Pacific was authoritatively denied.

Union Pacific was bought on scale orders by Flower & Co. Money loaned at 3, and stocks 2 to 3. Exchange firmer for short sight. Governments were dull. The earnings of the railways for third week in May generally show large gains. The Northwest increased \$34,500; Louisville and Nashville, \$21,900; Northern Pacific, \$27,450, and the Omaha increased \$8,300. The Union Pacific earnings for twenty-two days decreased \$100-000. There was considerable selling of Union Pacific this afternoon for Boston account, The market was very dull on the second call. Work Strong & Co. and R. P. Flower sold Texas Pacific with scattering buyers. At 2:30 the market continues very dull, without especial feature save a slight advance. Market closed dull but firm and without especial feature.

from a Providence Merchant. Mr. George H. Davis, a fruit dealer at 297 drowned.

A Duluth, Minn., dispatch says that city is excited by discoveries of gold and silver in mony to the unequaled excellence of the production of one of our most skillful Providence Pharmacists. Mr. Davis says, " Last spring I was very greatly troubled with severe inflammation of the kidneys, and it bevere inflammation of the kidneys, and it became so bad that at times I urinated blood, and my sufferings were intense. My condition was so painful that for awhile I was scarcely able to attend to business, and the severe pains would come so suddenly and severely that I would be obliged to leave a customer whom I might happen to be waiting upon. During a part of the time I was unable to walk, and scarcely knew what to do or which way to look for relief. At this time a friend recommended Hunt's Remedy. I took two bottles of it, and it took right hold of my disease and cured me very speedily. of my disease and cured me very speedily, and I have experienced no trouble with my kidneys since."

Furthermore, Hunt's Remedy has strength-ened me very much, and since I began to use it I have been able to attend to business and am all right now. I heartly recommend it to all. What it has done for me it will do for you who are afflicted."

BUPFERED FOR TWENTY YEARS.

Hou. Joshua Tuthill, of East Saginaw, Mich., says, "Count me among the enthusiastic friends of Hunt's Remedy. It has proven in my case all you claim for it. Having suffered for about twenty years with severe disease of the kidneys (which our local physicians pronounced Bright's Disease) I made a journey east to consult the eminent Dr. Haven, of Hamilton, N. Y., of whose fame in this specialty I had heard much. Dr. Haven examined me carefully and simply said, "Go and get a bottle of Hunt's Remedy and take according to directions." After having traveled so far for treatment, it struck me as rather funny to be directed to take a medicine which I might have bought within a stone's throw of my own door; but I was in the doctor's hands, and of course I followed his advice, and right glad was I that I did so, for before I had taken Hunt's Remedy half a dozen times I found immense benefit from it, and by continuing the use of it for a limited time I recovered from my trouble entirely, and am to-day, I think, one of the most rugged of rugged Michiganders. The world is indebted to you, sir, for the promulgation of such a medicine, and I hope you may not go without your reward." SUFFERED FOR TWENTY YEARS.

A MARVELOUS STORY

TOLD IN TWO LETTERS.

FROM THE SON: "28 Cedar st., New York, Oct. 28, 1882. "Gentlemen: My father resides at Glover, Vi. He has been a great sufferer from Scrot-ula, and the inclosed letter will tell you what a marvelous effect

Ayer's Sarsaparilla

has had in his case. I think his blood must has had in his case. I think his blood must have contained the humor for at least ten years; but it did not show, except in the form of a scrofulous sore on the wrist, until about five years ago. From a few spots which appeared at that time, it gradually spread so as to cover his entire body. I assure you he was terribly afflicted, and an object of pity, when he began using your medicine. Now, there are few men of his age who enjoy as good health as he has. I could easily name fifty persons who would testify to the facts in his case.

Yours truly W. M. PHILLIPS." Yours truly W. M. PHILLIPS."

FROM THE FATHER: "It is both a a duty for me to state to you the benefit I have derived from the use of

Ayer's Sarsaparilla.

Six months ago I was completely covered with a terrible humor and scrofulous sores. The humor caused an incessant and intolerable itching, and the skin cracked so as to cause itching, and the skin cracked so as to cause
the blood to flow in many places whenever
I moved. My sufferings were great, and my
life a burden. I commenced the use of the
SARSAPARILLA in April last, and have used
it regularly since that time. My condition
began to improve at once. The sores have
all heated, and I feel perfectly well in every
respect—being now able to do a good day's
work, although 73 years of age. Many inquire
what has wrought such a cure in my case, and
I tell them, as I have here tried to tell year. I tell them, as I have here tried to tell you, AVER'S SARSAPARILLA. Glover, Va., Oct. 21, 1882. Yours gratefully, HIRAM PHILLIPS." 1

AYER'S SARSAPARILLA CUres Scrofula and all Scrofulous Complaints, Erysip-elas, Eczema, Ringworm, Blotches, Sores, Boils, Tumors, and Eruptions of the Skin. It clears the blood of all impuritles, aids digestion, stimulates the action of the bowels, and thus restores vitality and strengthens the whole system.
